IFA issues Request for Qualifications for Water Suppliers

INDIANAPOLIS – The Indiana Finance Authority (IFA) issued today a Request for Qualifications (RFQ) for Water Suppliers interested in and capable of researching, designing, developing and implementing proposed solutions to supply adequate potable water to meet the short- and long-term water supply needs of Decatur, Ripley and Jennings counties.

To read the RFQ in its entirety, visit <http://www.in.gov/ifa/rfqs/>. Responses to the RFQ are due to the Authority on September 28, 2007 by 12:00 p.m. EDT.

###

About the IFA

Governor Mitch Daniels created the IFA in 2005 to more effectively manage the State's finances under one entity. The IFA manages programs that assist Indiana businesses in obtaining tax-exempt bond financing, the Drinking Water and Wastewater State Revolving Fund Loan Programs and the Indiana Brownfields Program. For more information about IFA, visit our website at www.IN.gov/ifa.
